Date: 13.10.2017

To,

M/S Gawar Construction Limited  
Dholu Nala, Raison  
Dist. Kullu (H.P)

**Sub: - Up gradation of Kullu-Manali section of NH-21 (new NH-3) from Km 272.00 to km 309.345 (Designed chainage) on EPC mode in the state of Himachal Pradesh under NHDP Phase IVB.**

**Reg.: - Approval of Jyoti Temcore Steel for use.**

Ref: - Contractor Letter No. GLC/NH-21/EPC/2017/353 dated 16.09.2017

We reviewed all documents like profile, credential, QA plan, third party test report from NABL lab, product data sheets of company M/s Madhav Alloy Pvt. Ltd. "Jyoti Temcore" and found satisfactory related to approval for Fe415 & Fe500.

All results were found conforming to the specification as per IS 1786-2008 & IS 2830-1992 and at the same time the entire manufacturing process are also reviewed in the light of BIS certificate. In case of above we accord source approval of M/s Madhav Alloy Pvt. Ltd. "Jyoti Temcore" for use in permanent project work subject to the following conditions.

1. According to the specification, sample shall be tested in an independent, well reputed NABL accredited third party laboratory as per codal provisions.
2. Reinforcement steel shall be stored and protected as per MORT&H specification section 1600.
3. Confirmatory test in an independent laboratory shall be done as stipulated in the specification for the consignment of the material brought at site at Agency/supplier expenses from time to time.
